

# Club Refund Formula

Due to new restrictions by Brown & Haley, the return policy has changed this year. Clubs will be allowed to have a maximum of 5% candy returned at the end of the sale.

Clubs returning 5% or less will receive a \$.35 refund per box sold. Depots will not accept a return of more than 5%.

As in past years, clubs can turn in as much candy as they want to their depots with NO PENALTIES by Wednesday, February 4th (The Wednesday after the second weekend).

Example: 400 units sold x \$.35 refund = \$140.00

**Refunds are only given to clubs that return 5% or less.**

What does 5% looks like?		
75 units = 4 units	400 units = 20 units	1000 units = 50 units
150 units = 8 units	600 units = 30 units	
300 units = 15 units	800 units = 40 units	

## Agreement to Fulfill Candy Parent Duties

I understand that Camp Fire USA Snohomish County Council will provide me with the training, materials and support necessary to perform these duties. If I am unable to fulfill my role as Candy Parent I will notify my club leader(s) and Candy Depot immediately.

I assume full responsibility for all money and candy handled by me. I will be in contact with my Depot at least once a week. I will turn in the balance of the money and all unsold candy to my Depot three days after the end of the sale.

I understand that our club will receive a refund only if we return 5% or less of the candy we checked-out.
