About Camp Fire

Our Promise: Young people want to shape the world. Camp Fire provides the opportunity to find their spark, lift their voice, and discover who they are. In Camp Fire it begins *now*.

Light the fire within

Last year 75 Camp Fire councils, in 31 states and the District of Columbia, delivered nearly 30 million hours of programs impacting more than 300,000 of America's youth and 70,000 families. In 2014, our council serving Snohomish County, Camano Island, and Clallam County delivered 284,454 hours of youth development and family engagement.

What makes Camp Fire different? Camp Fire is the only national youth-development organization with:

- Asset-Based Programming
- A Unique Approach That Empowers Youth
- A Portable, Flexible, and Customizable Format
- Program Quality Assessment & Improvement for Superior Outcome Achievement

These achieve youth-centered outcomes, fundamental to Camp Fire's success and are the ultimate measure of its impact on youth, families, and our society.

Giveaway Auction Extravaganza

Camp Fire

May 20th, 2015, 5:30 p.m., Holiday Inn, Everett

What can I expect tonight?

- Each and every holder of a \$350 ticket, in an order to be determined by drawings of names, spins of wheels, and fleetness of feet, may choose any prize among those that remain.

How will it work?

- Each guest who bought a ticket has his/her name in the drawing at the front of the room. The wheel at the front of the room has colored slots and there is space designated on the display board for each color.
- At the beginning of the program (about 6:00 pm), 4 names for each color are picked out of the bowl and the corresponding name plates are placed on the display board.
- The wheel is then spun. What color the wheel stops on selects the first four ticket holders, and it is their turn. They take their name plates off the board, and each places his/her name plate next to the title of the selected item, and collects the item's **number**. The number will be used to claim the prize. Four more names are drawn for that color. This process continues until every prize is chosen.
- If the wheel lands on the "**Wild**" slot, then we will pull a name out of the bowl to choose a prize immediately!

Will there be any live-auction items?

- Yes! This live-auction is in addition to every ticket holder's receiving a Giveaway prize.

Extras...

- The Master of Ceremonies and auctioneer for the evening is Troy McVicker. Troy is the President of Event Source Northwest. Scotty is running the soundboard. Any left-over giveaway prizes will be sold at the end of the evening at a discount. Other surprises throughout the evening!

Is there anything to eat?

- Yes! Thanks to the catering team at the Holiday Inn, a delicious dinner will be provided. Included will be: Grilled Herb Chicken, Rolls & Butter, Mushroom Risotto, Green Beans, & Iced Tea
- Each guest will receive one complimentary drink ticket. Additional drinks are available for purchase. There will also be cupcake table for dessert!

Raffle

- Tonight, the winner of our raffle will receive a free ticket to next year's event and his/her name will be the first one placed on the board at the beginning of the giveaways next year.

Giveaway Auction Rules

- The doors open at 5:30 pm. Giveaways begin at approximately 6:00 pm.
- Camp Fire has attempted to describe the items as correctly as possible, however all items are awarded "as is." Camp Fire neither warrants nor represents, and shall not in any event be responsible for, the correctness of description, genuineness, authorship, provenance, or condition of any item.
- Applicable sales tax is included in all prize values.
- All items must be claimed the evening of May 20th.
- Be prepared to select your item when it's your turn as you will only have two minutes before the next name is called! If you are not in attendance when you are called, and have no proxy, you will pick your item last. Once you have selected a prize, it is yours! If you wish to trade or sell your prize, that is between you and any other guest, not part of the program structure. Consult your tax advisor regarding deductibility questions.

Live Auction Rules

- To bid on a live auction item, raise your bid number. The highest bidder acknowledged by the auctioneer shall be the purchaser, which constitutes a legal contract to buy. The auctioneer's decision is FINAL.

Let's Make a Difference Together!

In the midst of this evening's program we will have the opportunity to donate to Camp Fire's Campship Fund. This Fund is used annually to send more than 200 low-income children to Camp Killoqua. The children come with a variety of special circumstances which keep their families from being able to afford a camping experience or which impacts the need for the child to participate in the program.

"Raise Your Paddle!" You will be asked by the emcee to raise your bid number when the specific amount you wish to pledge is called out. We will record your bid number and the amount of your pledge. You may pay on auction night or Camp Fire will be pleased to bill you.

We have seen the results of spending a week at Camp Killoqua. It is a time of fun, exploration, and learning. It is a place where lifelong friendships are made and resilience is encouraged. Under the guidance of caring and well trained counselors, children enjoy swimming, boating, hiking, crafts, camp fires with s'mores, and many other exciting activities in a pristine setting of forests, trails, and a beautiful lake.

If you are a child who has been impacted by homelessness, violence, grief, foster care and other stressful situations; going to camp can give you a positive experience to fall back on. It can allow you to feel a part of a normal group doing fun activities in the moment. It can build self-esteem, gain a friend, relate to an adult more productively and even learn how to find a champion for your own personal sparks!

We believe that these children need a "fun experience break" to give them the resiliency they need to build upon. Camp Fire knows that a one week stay at Killoqua won't solve all the problems in a child's life but it is an experience that can change their perspective and give them the encouragement that they need for the struggle.

Tonight—let's give them that chance...

Villas Susana consists of four open air buildings which are perched on the ocean bluff overlooking your own private sandy/rocky beach below. Your family/guests will have their choice of: the second story Peacock Villa with its own living room, the centrally located Iguana villa just one building up from the living room villa, and for those who really want to be close to the waves, the lowest villa, Butterfly, enjoys vistas of Pelican Rock to the north, as well as your own beach below. The fourth villa is the very large kitchen/dining/living room.

This piece of paradise is located out in the jungle 2 miles north of the quiet friendly town of San Francisco. Remain on site for peace and quiet or go into town and enjoy the many restaurants and activities.

Sit up in your bed and watch the boats and whales go by, drink margaritas while in the pool on one of several large decks and watch the sunset, or just laze in the hammock and listen to the ocean waves. Bring your fishing equipment and catch your dinner on the beach below!!! The villas are beautifully landscaped with hibiscus, bougainvilleas, and other tropical flowers to enhance the lovely and lush surroundings. Lit brick pathways join the buildings. Pick your own bunch of bananas off the trees to eat later. The only sounds are the waves crashing below and jungle birds. There is a full sized heated infinity pool overlooking the bluff, and professional landscaping has added to the natural beauty. The villas feature full solar power to lessen our environmental impact and also guarantee electricity during the common brown and black-outs occurring in the jungle.
