CANDY CURRENCY POLICIES

SAFETY RULES & GUIDELINES

Candy Sale Rules!

Parents, please help your child be successful by following these rules.

Failure to follow these rules may disqualify the member from awards and prizes.

1. Only Starflight through Horizon level youth who are currently registered may sell and earn awards. Unregistered siblings cannot sell.
2. To sell at a business, you must make an appointment with the Site Sale Coordinator, and you must follow the Site Sale Rules listed in the Candy Connection.
3. It is not allowed to approach a business yourself or sell at a business not on the approved list.
4. You may start taking orders before the sale starts. Use the pre-order sheet to help keep track of orders.
5. Youth may start to sell and fill orders after 12:01 a.m. on January 25- Not before.
6. Turn in money at least once per week during the sale. Sale ends February 18. The day after that, turn in all money and unsold candy to your Candy Parent.
7. During the sale, immediately return candy your child cannot sell. Someone else may be able to sell it.
8. At the end of the sale, clubs can return up to 5% of the candy they've checked out from the depot. Do not accept checks over \$75 or Canadian money.
9. Make checks payable to: Camp Fire. Do not write a personal check to replace cash- turn all money into the Candy Parent.
10. Never sell alone; always sell with an adult.
11. You must have a registered club member and an adult with you at a site sale.

Rules for Success!

- * Practice making change and what your child will say. Help keep track of the money.
- * Have your child wear his/her uniform and Camp Fire identification tag when selling.
- * When selling in apartments or condominiums always have permission of the manager.
- * Never enter a home to sell candy.
- * Practice traffic safety rules.
- * Good behavior is important while selling. *Remember you are a Camp Fire Member!*
- * Store candy in a safe, dry place away from direct heat. Do not leave candy in a car.

QUESTIONS ABOUT SITE SALES

Do parents contact the business directly in order for youth to sell there?

No! Make an appointment with the Site Sale Coordinator. The stores who have many groups booking site sales ask that we limit contact to one person from each Council area or city during the sale.

How do I make the appointments?

1. Look through the list of sites attached.
2. You can book site sales anywhere, within Snohomish County Council's boundaries.
3. Choose the places that you would like your child to sell, with 1 or 2 alternates.
4. Phone the coordinator with up to **3** reservations for your child.
*If you have more than 1 child you can make 3 reservations per child during the call.
Have this information ready:
 - a. Your name, phone number & the child's name
 - b. Date you wish to sell and name of business
 - c. Time you wish to reserve- appointments are arranged in 2 hour blocks (on the even hour, i.e. 12pm - 2pm). You may call back on Thursday to schedule back to back blocks of selling if no one else is already using that time slot.
5. Ask the Coordinator to read back the information you have given before hanging up.
6. **Please be respectful of the Coordinator's hours.** They are volunteering their efforts!
7. If your area is participating, you can also view open sites online at www.campfiresnoco.org.

What should I do if we arrive at our reserved site and another Camp Fire member is there?

This unfortunate situation requires *cooperative* problem solving! Remember the other party is probably just as surprised to see you as you are *them*!

Suggestions for resolution:

- * Verify site appointments with the other party. Multiple sites sale appointments can lead to confused appointments. i.e. "Was it Fred Meyer or Wal Mart this Thursday?"
- * If both parties state they are scheduled for the site, call the Site Sale Coordinator to clarify the booking with their records and find a new site if applicable.
- * If the Coordinator is unavailable, work together! Flip a coin to see who goes to the other site or share the present site.
- * If the situation cannot be resolved in a reasonable manner please leave the site and call your Site Sale Coordinator as soon as possible to report the incident.
- * Prevention is the key! The extra minutes spent making your appointment with your Site Sale Coordinator using the "How Do I Make Appointments?" guidelines are worth it! Future bookings have and will be jeopardized by actions that reflect poorly on an organization's fundraising efforts.
