## **It's All About Our Kids! Capital Campaign**

Construction is progressing at Camp Killoqua. Look at this amazing change from the old open garage area to the upgraded area with four bay doors! Now our equipment and vehicles will be protected and safe. Other construction is also making progress.

Thank you to all of you who have donated making all these great improvements possible. We have a little over \$157,000 to go to reach our \$2,179,000 goal. Raising the final funds will make sure we complete all the projects and purchase all the elements for the kids. So, YOU STILL HAVE TIME to put your caring into action for our Snohomish County youth. All donations are important.

Did you go to Camp Killoqua? Call us to find out if one of your favorite places is available for a naming opportunity. Naming opportunities are based on amount of donation. This is a great way to be remembered while showing your support for our youth. Also, what a wonderfully thoughtful gift for those you love.

To learn more about It's All About Our Kids! contact Dave Surface, Capital Campaign Executive at [dsurface@campfiresnoco.org](mailto:dsurface@campfiresnoco.org) or by calling 425-258-KIDS (5437).

## **Skate Pennants**

I want to roll out a big THANK YOU to all the youth members who colored the skate pennants and to the leaders for bringing them back, so we could decorate the office and share them with store visitors. These pennants are a quick survey of how our youth members like to roll with Camp Fire. The pennants are grouped according to what they wrote down on the pictures. This is how they ranked what activities they like to do in club:

1. Arts & Crafts
2. Friends, Activities and games
3. Science
4. Camping
5. Learning new things
6. Candy Sales, Earning emblems

These skate pennants were part of our Camp Fire birthday skate party. To honor the many years of Camp Fire birthdays, each child who turned in a pennant received a vintage birthday emblem.
