Join other Camp Fire Clubs in sponsoring a Foster Child in Snohomish County during this holiday season. Check out the link for more information about the organization www.washingtoncasa.org

Complete the following steps:

1. Talk about the needs in the community and around the world. Decide how your club would like to reach out to children in need.

2. There are two choices to provide gifts for the CASA Foster Children in Snohomish County. (Infant – High School)
 - a. Choose a gift tag from the tree display at the Camp Fire office.
 - b. Contactless e-Giving option. Contact Donna at dfischer@campfiresnoco.org for an electronic tag.

3. Determine your budget and decide as a group the gift they want to give. Decide how you want to collect money to purchase a gift.

4. Buy the gift with collected funds, then deliver any unwrapped gifts with taped on tag to the Camp Fire Training & Resource Center by December 10th.

5. All donated gifts can be purchased online at the store of your choosing and shipped directly to the CASA office at the address below. Please identify the gift recipient associated with your tag on your purchase receipt. You can order from Amazon or any other online store.
