Valentines for Veterans

(Salute to Hospitalized Veterans)

Join us on Zoom **January 14th at 6 pm** for an evening of fun and learning. This event is open to all current Camp Fire members in the Council and anyone interested in learning more about Camp Fire. So invite your friends. Email **Club@Campfiresnoco.org** to RSVP to receive the Zoom link for the event.

We will be earning the Valentines for Vets emblem and beads. There are two parts to earning this emblem. The first is learning about Veterans, Patriotism, Peace, and what it means to be in the Hospital. The second part is creating handmade Valentines that will be delivered to the VA Hospital in Seattle. We will share a couple of fun card-making techniques.

This year we need to be extra careful about what we put on the Valentines. Be sure that they are free from any lung irritants like, glitter, fuzzy balls, candy hearts. Please no food. Please be sure that glue and paint are dry before sending them in. Have the children create something that they would love to receive.

If your club would like to share their favorite way to make cards, email me **lcoughlan@campfiresnoco.org** and I will add them to the program agenda as presenters.

Valentines are due at the Camp Fire Training & Conference Center by January 25, 2021. The emblem and a purple bead for each step of the activity are available for sale in the office by appointment. Email me when you would like to visit.
