Council and National Emblems

Start a Spark – (Click here for link to project)

Help us grow Camp Fire, participate in recruiting activities
and earn an emblem.

Share the Flame – Welcome a new member into your
club. Think of ways to help them feel like they belong; Get
to know me games, Name games, team building activities,
club name or club banner. Everyone in the club earns the
emblem since they are all making room in the circle for
someone new.

Put Love into Giving (Click here for link to project)

Have the youth start thinking of ways that they can help
the community. We will be doing the Giving Tree again
this year, but your club is not limited to this project.
How will your club raise funds for gifts; penny drive,
craft or bake sale to friends and family? What are your ideas?

National Art Project – *The World of Written Word* – Poetry,
plays, essays, tv or movies scripts, songs, speeches, and any

other creative way to be creative in writing. More details next month.

All of the projects and more are in the Red Leaders Manual or on our website in the **Camp Fire Leader Resources** section 4a. If you have any questions about the projects or emblems email Lisa at: Lcoughlan@campfiresnoco.org

Camp Fire Luncheon!

Due to the current situation in our local community with regard to the latest trends with the COVID Delta variant, a large in person indoor event was not the right thing for Camp Fire to pursue at this time.

As much as we would love to gather in person with all of you and celebrate Camp Fire's successes, the prudent move is to convert to a Virtual Luncheon event.

This will be our 30th Annual Camp Fire Luncheon! View the **Luncheon** page on our website for more info.

Featured Presenter – Mr. James Madison

James is one of Snohomish County's most well-known artists, master carver, and contemporary sculptor.
He is a proud member of the Tulalip Tribes.

There are two ways to stream the Luncheon:
Just click on either link a few minutes before 12pm on October 20th.
