A project and emblem designed for members to perform a

council project that your club members can earn. Please click on [this link](#) to learn more about the project. Anyone can participate, there are awards for first-generation, second-generation, and more.

### **What Generation Are You?**

The Generation emblem celebrates the history of Camp Fire through learning families' involvement in Camp Fire as a youth. One of the goals of the project is to continue the tradition of oral history where former Camp Fire members can share their stories to be preserved for future generations. The leaves symbolize the family tree and the growth of Camp Fire intergenerational appreciation. for more information, contact Lisa at [lcoughlan@campfiresnoco.org](mailto:lcoughlan@campfiresnoco.org) or 425-258-5437.

### **Decide as a club how they want to complete the project.**
