**Tulalip Tribes**

We greatly appreciate your continued support for our ***Youth Needs Programs.***

Your support assists in the sustainability of a healthy community. It does make a difference in the lives of so many young people.

**Put Love Into Giving**

A project and emblem designed for members to perform a community service project during the holiday season. Participants complete an activity under each part of the Camp Fire Watchword WO-HE-LO.

**Decide as a club how they want to complete the project.** One option is we invite clubs to join other Camp Fire clubs in sponsoring a foster child in Snohomish County during this holiday season. Check out [www.washingtoncasa.org](http://www.washingtoncasa.org) for more information.

There will be a giving tree in the office sometime at the end of November, more information will be given out soon.

The best way for your child to start reaching their goal is to start pre-selling. **Attached is a pre-sale order form.** You can print it out and start working your way towards the pre-sale emblem. All you have to do is sell 75 units during this pre-sale to earn it.

## Council and National Emblems

### **Start a Spark – (Click here for link to project)**

Help us grow Camp Fire, participate in recruiting activities and earn an emblem.

**Share the Flame** – Welcome a new member into your club. Think of ways to help them feel like they belong; get to know me games, name games, team building activities, club name or club banner. Everyone in the club earns the emblem since they are all making room in the circle for someone new.

**Put Love Into Giving** ([Click here for link to project](#))

Have the youth start thinking of ways that they can help the community. We will be doing the Giving Tree again this year, but your club is not limited to this project. How will your club raise funds for gifts; penny drive, craft or bake sale to friends and family? What are your ideas?

**National Art Project** – *The World of Written Word* – ([Click here for link to project](#))

Poetry, plays, essays, tv or movies scripts, songs, speeches, and any other way to be creative in writing.

All of the projects and more are in the Red Leaders Manual or on our website in the **Camp Fire Leader Resources** section 4a. If you have any questions about the projects or emblems, email Lisa at: [lcoughlan@campfiresnoco.org](mailto:lcoughlan@campfiresnoco.org)

## **Camp Fire Virtual Luncheon!**

---

On October 20th, we held our **30<sup>th</sup> Annual Camp Fire Luncheon**. Our Master of Ceremonies, Chris Sullivan from KIRO Radio, led us through a fun program virtually.

Some highlights of our Luncheon included:

- Hearing directly from our youth about their positive connections to Camp Fire.
- Updates from CEO, Jim Stephanson, on our programs that support our youth, including the challenges we continue to overcome due to COVID-19.
- A wonderful Key-note speech by local artist James Madison. You can **watch his conversation with Jim Stephanson here**.
- A message from our Community Club Leader Stephanie West on why she supports Camp Fire and how your support helps us continue our mission of serving children. You can **watch her message here**.

- And finally, Board President Krissy Davis presenting the Lou Denney Award to 50 year volunteer Janet Westerlund. **Watch presentation here.**

We are on our way to reaching our fund-raising goal for the Luncheon of \$60,000 raised. But we are still short of our goal. If you haven't had a chance to give yet, there is still time. Click this link to donate - **<https://campfiresnoco.org/donate>** or if you'd prefer, mail a check to Camp Fire Snohomish County - 4312 Rucker Avenue, Everett, WA 98203.
