You may setup your display table/signage at the designated location specified by the Store Manager. Please do not impede the flow of traffic of customers entering or exiting the store. Sales may only be solicited when customers exit the store and walk by your display area. You must stay within 5 to 6 feet of your table at all times. Adult supervision is mandatory. Raffle ticket sales are not allowed. We expect that the representatives from your organization will conduct themselves in a courteous manner.

Attached is a form that needs to be completed due to accounting rules. Please return the form to me at carrie.callor2@sfdc.com.

Best of luck,
