ABSOLUTELY incredible KID DAY®
Join us *Thursday March 21st*
in lifting up the incredible youth in our community!

A simple, meaningful way for adults to let children know how much they are appreciated.

The call to action is for adults to write a letter to a child in their family, their neighborhood, or even to a child they don't know who may be in a homeless shelter or hospital.

This year we want to highlight all the incredible kids we have in our community. Write a letter to incredible kids you know and let them know how awesome they are!
