NATIONAL ART
EXPERIENCE

2024-2025

National Art Experience

LIGHT

What is Light? Light is a form of electromagnetic radiation that is visible to the human eye. It is also essential to art.

Camp Fire is challenging young people to think about the role that light plays in their lives. Do they live in an area where there is very little light, especially in certain seasons? Do they live where the light is bright, and where the light affects temperature, flora, and fauna? How does sunlight make you feel compared to a rainy or cloudy day? Do you get excited when you see a rainbow?

The purpose of this year's National Art Experience is for young people to think about the significance of light in their lives, and to translate these ideas into art. We encourage youth to complete 4 out of the 10 projects over several months as part of the Art Experience.

1. Shadows: Shadow Tracing and Miniature Shadow Puppets
2. Sun Prints
3. Rainbows: Light an indoor rainbow and Catch an Outdoor Rainbow
4. Oil & Paper Lanterns
5. Light in the Landscape
6. Constellations: Make Your Own and Flashlight Constellations
7. Art in the Moonlight
8. Pinhole Camera
9. Still Life by Candlelight
10. Stained Glass

Work - Health - Love Award

We are hosting an informational meeting for youth in grades 6th - 9th on November 12th at 6 pm.

Work, Health, and Love are the values that have been central to Camp Fire since our founding in 1910. The Work, Health, Love Award is the highest achievement for youth in Camp Fire. This prestigious award, open to teens in grades 9 through 12, offers opportunities for personal development, leadership, and advocacy on important issues.

The award is earned by completing an intensive and highly individualized project. Teens design their projects based on their interests, values, and goals. Completing the requirements to earn the award takes hard work, dedication, motivation, creativity, determination, and discipline. The award demonstrates perseverance, the ability to set and achieve meaningful goals, a strong work ethic, commitment to community service, and leadership.

Did you receive your WoHeLo award?

How has earning this award impacted your life? Do you have a memory that you would like to share? We would love to hear from past recipients. Please, email Lisa at: Lcoughlan@campfiresnoco.org if you are an Alumni who has received your WoHeLo Award.
