### **October 14th & 15th at 6:30 PM on Zoom**

Join in the fun with other leaders in Snohomish County. Learn from each other and share ideas. The leaders' meetings are a great place to network and find out about upcoming events such as Treats and Trails and new projects like the National Art Experience.

Bring your favorite Fall activity to share with others. Some ideas from the past have been lanterns with artificial leaves, edible campfire treats, and even puking pumpkins.

Look for the information on the Leaders Facebook page and by email. Zoom link will be emailed.

**COURSES**

Learning Lab is a National Camp Fire resource available to staff and volunteers. Once you have registered (see below) and have been approved, you will be able to log in and explore the site.

National has created great courses that are helpful to volunteers for both use with your clubs, but also for parenting in general. The courses do not need to be completed in one sitting; Learning Lab stores your progress so you can return and finish at your convenience.

All leaders and adult volunteers should complete these courses:  
**Youth Protection: Foundations:** Preventing Abuse in Youth-Serving Organizations  
**Core Group:** Thriving Through Connection  
**You Belong Here:** Foundations in DEI  
**Program Delivery:** Growing Developmental Relationships

Once you have completed these courses feel free to explore the other courses to find ones of interest to you.

Please contact Lisa at [lcoughlan@campfiresnoco.org](mailto:lcoughlan@campfiresnoco.org) if you have any questions about Learning Lab.
