

## CANDY SALE

# Coloring Pages

## COLOR IT. SHOW IT. SELL IT!

We've created a variety of candy sale coloring pages just for you! Pick your favorites, color them in, and use them as signs or decorations to help promote your candy sale.

These pages are a fun way for youth sellers to get creative and make their sales stand out — whether you're setting up a neighborhood stand, selling door-to-door, or hosting a site sale. Bright colors, bold designs, and personal touches help catch people's attention and spark conversations.

Parents and caregivers are encouraged to join in, too! Coloring together can be a great way to talk about sales goals, practice what to say to customers, and get excited about the sale as a team.

Once you're done, display your artwork proudly — every sign you create helps share your Camp Fire story and invites others to support your candy sale!
